2022 ADVANCED PROTECTION PROGRAM

PROGRAM REQUIREMENTS

The rebate for an eligible grower or farm entity shall be calculated by:

Multiplying the net NexGen XtendFlex cotton seed units¹ purchased by the acre conversion rate chart to determine the grower's eligible cotton acres in the program.

¹Net units shall equal NexGen XtendFlex cotton seed units purchased minus returns or replant units.

Match the grower's eligible crop protection products purchased against the grower's eligible NexGen XtendFlex cotton seed acres and the corresponding rebate earnings per acre.

Eligible crop protection products will only be considered for rebate calculations if reported via electronic data exchange (EDI) or grower point of sale (GPOS) via Data Dimensions (www.yourdatadimensions.com) from crop protection manufacturers' authorized dealers and invoiced between **November 1, 2021** and **August 31, 2022** or purchase Adios between ***November 1, 2021** and **October 31, 2022**.

Please direct any questions to Customer Support:

Phone: 1-800-901-0012

Hours: Monday - Friday 8am - 5pm EST

Email: sales@yourdatadimensions.com

GPOS information must be reported under the same Trait License # to get credit for all eligible purchases.

Retailers must report EDI/GPOS by **September 30, 2022** (or ***October 31, 2022** for Adios) to be considered in this program.

Program subject to change at Americot's discretion without notice to program participants.

Participation by growers in the program is voluntary and is not required in order to purchase any products participating in this program.

Incentives under this program will be issued on all qualifying orders no later than **December 31, 2022**.

This is a cash rebate offer. Rebate payment will be in the form of a check issued to the retailer from whom qualified grower purchased all (or the largest share) of its NexGen XtendFlex cotton seed, in the qualified grower's name, upon satisfaction of all program requirements. This is not a points or merchandise incentive.
