

2024 AMERICOT REPLANT PROGRAM

All Seed Drop Zones

Any field planted with a qualifying NexGen® brand cotton seed variety that has an insufficient stand and is replanted with a qualifying NexGen® brand variety in the same season is eligible to receive a reimbursement of 70% of the grower invoice price up to suggested retail price of the replanted cotton seed.

Program Conditions:

- **Conventional varieties do not qualify for the Replant Program.**
- NexGen brand cotton seed must have been purchased and consumed during the 2024 season. Seed purchased in previous years is not eligible.
- This program is only offered for the first replanting of the season and does not cover multiple replant situations.
- Seed qualifying for refund under the Americot Replant Program is ineligible for Americot's Crop Loss Program.
- Replanted seed that was treated by Americot will receive a 70% reimbursement on the treatment as long as the original planted seed included the same treatment. Americot will not be responsible for refunding any non-factory treatments.
- Growers must use sound farm management practices, and make every attempt to establish a stand and produce a crop.
- Growers seeking a Replant Refund should contact their Dealer before tilling or replanting any field associated with a Replant Refund request.
- **On-site verification and documentation by Dealer or an Americot sales representative must be completed prior to replanting in order to be eligible for reimbursement.**
- Replant seed quantity may not exceed quantity used to plant the failed or lost stand.
- Claim must be submitted to Americot no later than **June 1, 2024 (Zone D, South of I-10) or July 15, 2024 (All Other Zones/Remaining Geography)**. Program will be discontinued thereafter.
- Americot makes no warranty or guarantee regarding availability of specific varieties for replanting purposes. If the original planted variety is not available, another NexGen® brand cotton seed variety must be substituted for replanting purposes in order for the Grower to be eligible to receive a Replant Refund on the replanted acres.

Claim Process:

- Grower contacts Dealer about claim.
- Dealer or Americot sales representative verifies Grower's claim.
- Contingent upon approval, Dealer completes Replant Claim Form (found at www.cottonshare.com) and emails it to Americot at claims@americot.com, along with proof of purchase.
- Replant Refund will not be issued until the sales have been reported to Americot following the Reporting Guidelines.
- Refund for seed will be issued via check made out to Dealer and Grower and mailed to the Dealer. If seed was purchased under the Americot 0% Finance Program, in lieu of issuance of a refund check to Dealer, Grower's outstanding balance will be reduced by the refund amount.
- Dealer must have a valid, signed Americot Dealer Agreement and the Grower must have a Technology Stewardship Agreement.
