2025 AMERICOT CROP LOSS PROGRAM

Seed Drop Zones D & E (KANSAS, NEW MEXICO, OKLAHOMA & TEXAS)

Any field planted with a qualifying NexGen® cottonseed variety that is unable to be harvested may be eligible to receive a reimbursement of the grower invoice price up to suggested retail price of the seed lost, less \$225, contingent upon meeting the program conditions outlined below.

Program Conditions:

- **Conventional varieties do not qualify for the Crop Loss Program**
- NexGen cottonseed must have been purchased during the 2025 season. Seed purchased in previous years is not eligible. Growers must use sound farm management practices and make every attempt to establish a stand and produce a crop.
- Eligible cotton acres must be covered under the Multi-Peril Crop Insurance Program. Inability to harvest certified failed acres must be due to eligible natural causes experienced prior to the submission deadline noted below. Crop loss due to excessive rainfall, flooding, hurricane, diseases or pests do not qualify.
- Seed previously qualifying for refund under the Americot® Replant Program is ineligible for Crop Loss Program.
- **On-site verification and documentation by Dealer or an Americot sales representative must be completed prior to replanting to be eligible for reimbursement.**
- Claim must be submitted to Americot no later than 120 days after planting date, or **August 15, 2025** (*South Texas/Zone D*) and **October 15, 2025** (*remaining Southwest geography/Zone E*), whichever occurs first. Program will be discontinued thereafter.
- Reimbursement calculation will be based on grower-paid price. Units claimed on the Americot Crop Loss Program that have previously qualified for any separate rebate or discount will be reimbursed based on the decreased price.

Premium Seed Treatments:

- Factory overtreatments are not eligible for the Americot Crop Loss Program.

Claim Process:

- Grower contacts Dealer or Americot sales representative about claim prior to replanting to another crop.
- Dealer or Americot sales representative verifies Grower's claim.
- Contingent upon approval, Dealer completes Crop Loss Claim Form (found at www.cottonshare.com) and emails it to Americot at claims@americot.com, along with supporting documentation.
- Refund for seed will be issued via check made out to Dealer and Grower and mailed to the Dealer. If seed was purchased under the Americot Finance Program, in lieu of issuance of a refund check to Dealer, Grower's outstanding balance will be reduced by the refund amount.
- Dealer must have a valid, signed Americot Dealer Agreement and the Grower must have a Technology Stewardship Agreement.

Documentation Required:

- Americot Crop Loss Claim Form, signed
- Proof of Purchase
- FSA 576 & FSA 578
- Federal Crop Insurance Production Worksheet/Proof of Loss
